Most women of our church family are included in the Hospitality Lists printed in this insert. This means that during the month under which your name appears you are considered “on call” to help provide food and/or service for funeral luncheons/district meetings that may occur during that time. The chairperson or assistant on your list will contact you should a need arise. **If you are not included in these lists, but would like to be, or have a change of phone number please call the church office at 723-6219.**
